Notice of Kilt Klassic Golf Tournament cancellation.

Dear Supporters and Golfers;

We regret to inform supporters and golfers, that the Board of Frye Daddy's Foundation has cancelled this year's October 6, 2017 Kilt Klassic.

With the advent of hurricane Harvey, many families and businesses have been devastated. Thousands of families in Harris County and our local communities have suffered flood damage, many losing their homes and/or vehicles. Many if not most of the home flooding damages are uninsured from this unprecedented disaster. For businesses, the losses are severe and many small businesses who suffered losses may never reopen. Great effort is going into relocating families and rebuilding homes and businesses which were lost and this activity will continue for many months and possibly years.

The Kilt Klassic is Frye Daddy's Foundation fund raiser and our celebration of the life of Donny Frye. We, however, feel it prudent and more appropriate to select a later time to celebrate the life of Donny Frye, particularly when so many are suffering from the ravages of Harvey. We trust you appreciate and understand our decision.

We sincerely appreciate our sponsors who have been with us throughout our journey since Donny's death in fostering our support and development of children and particularly children who are at risk. We also appreciate all those who participate in our golf tournament both the golfers and the many volunteers who have made the Kilt Klassic successful.

Although we will not have our tournament this year, we want and hope to continue our giving and supporting of the many children's causes we believe in. We also, particularly now because of Harvey, want to continue and expand our local support efforts of families in need. We currently support Family Time, and Boys and Girls Harbor and have supported the Kiwanas and our local YMCA youth programs. We also support Kids Hope USA, and CYCLE (formerly Elves and More).

Your support of our Foundation is very much appreciated and any donations you can make will go toward our continued efforts to help kids and families. We are a 501 (c) (3) charity and all charitable donations are tax deductible.

We hope to reestablish the Kilt Klassic in the future and will keep all our friends of Frye Daddy's Foundation informed.

Warm Wishes,

Don Frye, President Frye Daddy's Foundation
